

Upfit Strategy: 5 Things to Consider

1

FEEDBACK
From drivers
and technicians

2

STANDARDIZE
Vehicles throughout
the fleet to create
consistency

5

PARTNER
With a reputable
upfit vendor who is
understanding of
fleet needs

3

FULL SERVICE
Fleet management
company selection

4

CONFIRM
Upfit is optimized
for safety, job
efficiency, and
fuel economy

5
Things to
Consider
