

Mobility: More Than a Buzzword

Mobility is Best Described as a Mindset.

It doesn't pertain to a specific lease structure, or even stop at just vehicles. Rather, mobility is a customizable plan that allows transportation to happen efficiently and easily.

Here are the three categories of mobility and how your Fleet Management Company (FMC) should play a role.

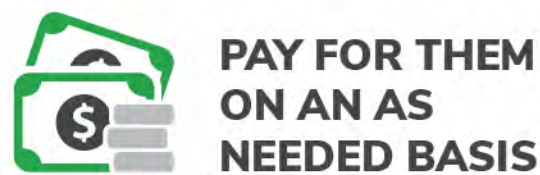

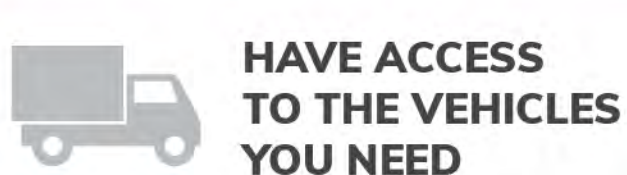

Vehicle Alternatives

Find the most cost effective solution to get from **POINT A to POINT B**

The FMC handles all strategy & administration work for your trip

Seasonal/Short-Term/Project Based

The FMC demonstrates value by being your logistics headquarters

Vehicle Sharing

POOL OF VEHICLES

COMPANY

MULTI COMPANY

INDIVIDUAL

Employees make reservations online

Swipe access cards to enter vehicle at allotted time

The FMC will provide the same vehicle technology & services available on traditional fleet options
