

Prepared for the Storm

PLAN
for fuel
concerns as
prices rise
and fuel
becomes
scarce

PLAN

ENSURE
your drivers
know where
to go and
what to do
when emergency
protocols go
into effect

ENSURE

MOVE
assets and
workers
away from
threatened
areas before
disaster strikes

MOVE

REPORT
your damages
through your
accident
management
program

REPORT

USE
telematics
to track all
fleet vehicles,
discover drivers'
location and
determine
if assistance
is needed
